

Appointment of Chief Operating Officer

The BTW Tiles and Business Ventures (P) Ltd, a leading manufacturer of ceramic building materials with a successful track record of 70 years. Company is located in Pappinisseri in Kannur district and has production units in Kannur district. The company proposes to appoint a Chief Operating Officer (COO) to manage its production units and also to lead the company to paths of diversification in manufacturing, trading and related lines. The COO will report to the Working Director.

Profile of the Incumbent

The incumbent should primarily be first of all a strategic business planner. Taking the opportunities and threats in the business environment, he should be able to lead the company to a path of growth. This is a challenging opportunity for the middle level business professionals to take up.

Knowledge and Skills

A degree, preferably in science subjects or a degree or diploma in mechanical engineering. Experience in ceramic industry will be an added qualification. The incumbent should be familiar with modern business practices and should have a good knowledge of functional areas of management like Finance, Human Resources Management and Marketing. As the ceramic industry is labour intensive, labour management, communication and negotiation skills will be highly useful for effective performance.

Experience

We should consider 10-15 years experience in a middle management level of an SME as adequate.

Remuneration

Remuneration will be in commensuration with the best in the industry and will depend upon the qualification and experience of the candidate.

Please send your CV along with a passport size photograph, incorporating the above particulars. Confidentiality will be maintained in correspondence. We would request the shortlisted persons to visit our head office at Pappinisseri and familiarize with the environment.

Chairman
